

Participant **Module 5** **Prepare a Synopsis and an Outline**

Objective

To have participants understand how to formulate a high-quality synopsis and an outline for your VAP

Time

75 minutes

Description

This session is divided into three parts.

In **Part A**, the facilitator will present the synopsis concept.

In **Part B**, (optional), you will work in buzz or small groups.

In **Part C**, the facilitator will present the outline concept

10 minutes

Part A Presentation

Your facilitator presents information about the concept of the synopsis. He/She will explain how to refocus your thinking on the visual storytelling required in your video, to ensure that your message is communicated within an effective, compelling visual story.

Question and Answer

35 minutes

Part B Group Exercise (Optional)

The participants work in Buzz/Small Groups to develop and/or critique synopses. See **Reference Sheet: Examples of Synopses**.

30 minutes

Part C Presentation by WITNESS Resource Person(s)

This presentation will provide you with the information and steps required to develop an outline for your VAP.

A brief outline of the presentation is provided in **Reference Sheet: Preparing an Outline**. Please feel free to take notes in the space provided.
